BOARD POLICY

COST SHARING OF CANDIDATE STATEMENTS

PURPOSE

To establish the level of District contribution towards the cost of Candidate Statements for candidates running for the Central San Board of Directors.

BACKGROUND

The Contra Costa Elections Office conducts the biennial elections for the Central San Board of Directors. Each election, the Elections Office requires that the Board of Directors determine who pays for Candidate Statements for candidates running for the District Board.

The Board desires to facilitate and encourage participation of potential candidates in District elections and chooses to do this by contributing to the cost of the Candidate Statements.

POLICY

It is the policy of the Board of Directors that it will require each District Board candidate, who files a Candidate Statement, pay \$500 toward the cost of that statement, with Central San contributing the remaining balance.
