

ORDINANCE NO. 339

AN UNCODIFIED ORDINANCE OF THE  
CENTRAL CONTRA COSTA SANITARY DISTRICT  
ADOPTING A SCHEDULE OF SEWER SERVICE CHARGE RATES  
IN ACCORDANCE WITH DISTRICT CODE CHAPTER 6.24.030

WHEREAS, the Central Contra Costa Sanitary District (Central San) has previously developed and instituted a Sewer Service Charge Program to finance the services and facilities furnished by Central San; and

WHEREAS, it is reasonable and necessary that all users of Central San's wastewater and household hazardous waste collection, treatment, recycling, reuse and disposal services and facilities, including those temporary users served under Special Discharge Permits, contribute their appropriate portion of the funding for such Central San services and facilities; and

WHEREAS, the Board of Directors (Board) has reviewed the current Schedule of Sewer Service Charge Rates and has determined that the annual residential sewer service charge rate for single family residences should be increased by \$29 per residential unit for Fiscal Year (FY) 2025-26 and by \$30 per residential unit for FY 2026-27 as set forth below in Exhibit A; and

WHEREAS, the Board has reviewed the current Schedule of Sewer Service Charge Rates and has determined that the annual sewer service charge rates for multifamily residences should be decreased by \$22 per multifamily unit for FY 2025-26 and increased by \$25 per multifamily residential unit for FY 2026-27 as set forth below in Exhibit A; and

WHEREAS, the Board has reviewed the current Schedule of Sewer Service Charge Rates and has determined that the annual sewer service charge rates for Accessory Dwelling Units (ADUs) should be decreased by \$18 per residential unit for FY 2025-26 and increased by \$13 per residential unit for FY 2026-27 as set forth in Exhibit A; and

WHEREAS, the Board has reviewed the current Schedule of Sewer Service Charge Rates and has determined that the annual non-residential sewer service charge rates should be adjusted as set forth below in Exhibit A; and

WHEREAS, Chapter 6.24.030 of District Code provides the enabling authority for Central San to implement the proposed uncodified Schedule of Sewer Service Charge Rates; and

WHEREAS, a properly noticed public hearing to receive comments and protests and to consider the proposed uncodified Schedule of Sewer Service Charge Rates was held on April 17, 2025 and continued to May 22, 2025; and

WHEREAS, in adopting this Ordinance, the Board finds that:

- a. Written notices of the proposed increase in sewer service charge rates were sent by first class U.S. mail to parcel owners who receive sewer service from Central San, using data provided by Contra Costa County Assessor's Office, at least 45 days prior to the public hearing on the proposed increase conducted on April 17, 2025 and May 22, 2025.
- b. All legally valid protests against the proposed increase in the sewer service charge rates, including those provided in person, by facsimile, e-mail and U.S. mail, were considered and tallied at the public hearing conducted on April 17, 2025, and continued to May 22, 2025, and Central San was not presented with valid protests by a majority of the owners of the identified parcels affected by this change.
- c. The amount of the charge imposed does not exceed the proportional cost of the service attributable to the properties receiving service and the charge is only imposed on those properties actually receiving service or those for which service is immediately available.
- d. This action is categorically exempt from the California Environmental Quality Act (CEQA) pursuant to Section 15273 (a) (1-4) of the District CEQA Guidelines.

NOW, THEREFORE, the Board of Central San does ordain as follows:

Section 1 (To be Uncodified)

The "Schedule of Sewer Service Charge Rates" as set forth in full in Exhibit "A" to this Ordinance, which exhibit is incorporated in full herein by this reference, is hereby adopted in uncodified form pursuant to the provisions of District Code Section 6.24.030.

As of the effective date of this Ordinance, sewer service charges shall be charged at such rates and for such categories of users as set forth in said Schedule of Sewer Service Charge Rates and shall remain in effect until amended or replaced by ordinance.

Section 2

All ordinances, parts of ordinances and any provision of Ordinance No. 330 in conflict with the provisions of this ordinance are repealed. The provisions of this ordinance, insofar as they are substantially the same as existing provisions relating to the same subject matter, shall be construed as restatements and continuations thereof and not as new enactments. To the extent the sewer service charge rates or any portion thereof is determined invalid or unconstitutional, or during any period where the new rates are stayed due to a legal challenge, such portions of Ordinance No. 330 shall remain in effect and such rates and charges due thereunder for any categories of users shall remain due and payable as if those portions of Ordinance No. 330 had not been

repealed.

With respect, however, to violations, rights accrued, liabilities accrued, or appeals taken, prior to the effective date of this ordinance, under any ordinance, or part of an ordinance, such ordinance or part of an ordinance shall be deemed to remain in full force for the purpose of sustaining any proper suit, action, or other proceedings, with respect to any such violation, right, liability or appeal.

### Section 3

Prior to imposing the rates set forth under this ordinance for FY 2026-27, the Board shall consider at a noticed public hearing prior to June 30, 2026, Central San's proposed budget, its financial condition, projected capital and operations and maintenance costs, as well as other factors which bear on Central San's revenue requirements, to determine whether the increased amounts set forth herein for FY 2026-27 are still necessary. If the Board concludes by a majority vote that sewer service charges for less than the amount set forth in this ordinance for FY 2026-27 will produce adequate revenues for those years, the Board may, by resolution, fix the sewer service charges for FY 2026-27 to be imposed at appropriate amounts up to the maximum of the rates set forth herein without an amendment of this ordinance. In such case, the resolution shall clearly set forth such lesser charges that are to be imposed and those charges shall remain in place until further action of the Board. If the Board determines the rates set forth in the table for FY 2026-27 are appropriate for imposition, no further action of the Board shall be required.

### Section 4

This Ordinance shall be a general regulation of Central San and shall be published once in the *Contra Costa Times* and *San Ramon Valley Times* newspapers of general circulation of the *East Bay Times* within the Central San service area and shall be effective on July 1, 2025. This ordinance shall be kept on file with the Secretary of the District.

PASSED AND ADOPTED by the Board of Central San on the 22nd day of May 2025, by the following vote:

AYES:	Members:	Hockett, Kuznik, Pilecki, Wedington, McGill
