Reporting Period: From: ______ To: ______

Industrial Users: Completion of the Periodic Compliance Report (PCR) is required by the Industrial User Permit issued to your facility. Refer to the Appendix of your permit for reporting requirements. When completing this PCR, please address every section on the front and back, check all the boxes that apply, and submit all information as required. Record only the information FOR THIS REPORTING PERIOD as specified in your permit. Failure to accurately complete this report may result in citation by Central San.

COMPLIANCE STATUS:

Permit (CHECK ONE):
☐ I hereby certify that the facility and operations are in compliance with the Industrial User Permit during this reporting period.
☐ The facility and operations are not in compliance with the Industrial User Permit during this reporting period. An explanation is attached.

Local / Federal Limits (CHECK ONE IF SAMPLES COLLECTED):
☐ All analytical and/or monitoring results are within applicable local / federal limits.
☐ Analytical and/or monitoring results indicate violation(s) of applicable federal or local limits. A separate sheet is attached listing the violations, the reasons for the violations, and a description of corrective actions taken.

CERTIFICATION
(Required for all PCR Submittals)

I certify under penalty of perjury that this document and all attachments were prepared under my direction or supervision and in accordance with the system designed to insure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person(s) who manages the system, or those directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for knowingly submitting false information, including the possibility of fine and/or imprisonment for knowing violations.
