

## **Do Not Dump Chemicals or Hazardous Materials Down the Drain**

- Prevent accidental spillage of liquids or solids by storing hazardous materials away from drains, in secondary containment.
- Train employees on the nature of materials and proper handling.
- Train employees on spill prevention techniques and spill cleanup procedures.
- Train employees on procedures to be followed in the event of an accidental spill and/or discharge to the sanitary sewer and/or storm drain systems.
- If there is an accidental spill and/or discharge to the sanitary sewer and/or storm drain systems, see reverse side for notification procedures.
- If there is an immediate danger to life and/or health, call 911.
- Call the Central Contra Costa Sanitary District Source Control Section (925-229-7288) whenever you have any questions concerning waste discharge regulations, specific discharge problems, or related matters.

# IMPORTANT NOTICE

## DISPOSAL OR SPILLAGE OF LIQUIDS TO THE SANITARY SEWER— NOTIFICATION PROCEDURE

THIS NOTICE IS TO BE POSTED IN ACCORDANCE WITH  
CCCSO CODE, CHAPTER 10.08.110.E

### **In the Event of Accidental or Slug Discharge or Spillage of Hazardous Liquid Wastes or Substances to the Sanitary Sewer**

Take all precautions to prevent or minimize the actual quantity of material entering the sewer system (e.g., dam up point of entry to sewer system and contain spillage for physical removal).

#### **I. FOR SPILLS OR DISCHARGES OF LIQUIDS THAT ENTER OR THREATEN TO ENTER THE SANITARY SEWER SYSTEM.**

##### **A. Immediately call:**

- (1) Central Contra Costa Sanitary District's Source Control Section at **(925) 229-7288** and
- (2) Notify the Central Contra Costa Sanitary District Treatment Plant Emergency Number at **(925) 229-7214**

##### **B. Your verbal notification should include the following information:**

- Business name, contact person, phone number.
- The location and duration of the discharge.
- The composition of the substance and its dangerous properties.
- The concentration and volume.
- The immediate corrective actions taken.

#### **II. FOR SPILLS OR DISCHARGES OF LIQUIDS THAT ENTER OR THREATEN TO ENTER THE STORM DRAINS AND WATERS OF THE SAN FRANCISCO BAY AREA:**

Please take the appropriate actions outlined in the facility's emergency response plan including notification of appropriate agencies.

If you have any questions or want additional copies of this notice please contact the Central Contra Costa Sanitary District Source Control Section at **(925) 229-7288**.
