Central San Education
CENTRALSAN.ORG/LEARN

SUMMER TEACHER ACADEMY
Professional Development for TK - 5th Grade Teachers

Where & When
June 9 - 11, 2020
8:30 - 3:30 PM
Central San Wastewater Treatment Plant
5019 Imhoff Place, Martinez

We invite you to learn about the system we all use everyday.

Central San has developed a whole new suite of hands-on activities designed for grades TK - 5.

Go to centralsan.org/learn to find out more.

Together we'll explore the science, engineering, and environmental literacy involved in our daily work.

You'll walk away with lots of activities and ideas to share with your students.

What happens to our dirty water after it goes down the drain?

Go to centralsan.org/learn to find out more.
