

Waste Hauler Application and Permit

This Waste Hauler Permit is issued by the Central Contra Costa Sanitary District and gives approval to the waste hauling company named below to discharge residential septage, food service grease interceptor/grease trap waste, and/or portable toilet waste to the District's facilities. The discharge of any other waste constitutes a special discharge, requiring the generator of the waste to obtain a Special Discharge Permit prior to disposal at CCCSD facilities. In addition, the hauler of this special discharge waste must have a current CCCSD Waste Hauler Permit. Refer to next page and permit attachments for additional instructions and requirements.

Additional Instructions and Requirements

1. Hours for disposal of trucked-in waste at CCCSD facilities are as follows:

WASTE TYPE	WEEKDAY DISPOSAL HOURS	
	<2,000 gal.	>2,000 gal.
Residential Septage	7:30 a.m. - 4:30 p.m.	7:30 a.m. 3:00 p.m.
Portable Toilet		
Grease Interceptor / Grease Trap		
Non-Domestic (<i>Special Discharge Permit Required</i>)	7:30 a.m. - 3:00 p.m.	

For disposal of residential septage, portable toilet waste, or grease interceptor/grease trap waste on weekends, weekdays after hours, or District holidays, arrangements must be made with the Shift Supervisor in advance by calling (925) 229-7214. The District reserves the right to refuse entry to the Treatment Plant outside the disposal hours listed above. Non-domestic waste loads will not be accepted on weekends, weekdays after hours, or District holidays.

District holidays are:

- | | | |
|-------------------------------------|--------------------------|------------------|
| • New Years Day | • Independence Day | • Christmas Eve |
| • Martin Luther King Jr.'s Birthday | • Labor Day | • Christmas Day |

2. The company name and address, public health license number, and full tank capacity must be clearly marked on each truck. A CCCSD Waste Hauler vehicle identification decal will be issued by the District for each vehicle listed in this application. This decal shall be placed on the inside of the front windshield. Trucks not bearing the CCCSD Waste Hauler decal will not be admitted to CCCSD facilities.
3. An ACCURATELY COMPLETED Trucked Waste Manifest/Receipt Form must be presented to the Gate Guard at the time of entry to CCCSD facilities.
4. No waste load from a source outside of Contra Costa County will be accepted at CCCSD facilities. Food service grease interceptor/grease trap waste will be accepted only from sources within the District's service area.
5. The Waste Hauler shall provide a representative sample of each waste load to the CCCSD Primary Operator. Trucks with a capacity greater than or equal to 2,000 gallons or any truck, regardless of capacity, hauling non-domestic waste must wait for the waste sample to be analyzed by the CCCSD laboratory prior to being granted approval to discharge. Additional, random sampling of any trucked waste load may be performed by CCCSD staff for monitoring purposes.
6. If a waste load is rejected by CCCSD, the Waste Hauler must provide documentation of that load's ultimate disposal location before the District will give the Waste Hauler approval to discharge any other waste load to CCCSD facilities.
7. Title 10 of the District Code prohibits certain wastes from being discharged to CCCSD facilities (see CCCSD General Discharge Prohibitions, attached), including the following:
 - Explosive or flammable materials
 - Rags
 - Bottle caps or broken glass
 - Lubricating oil
 - Animal tissue and bones
 - Pesticides or herbicides
 - Plastics
 - Tar or petroleum residues
 - Grease solids in amounts which would interfere with Treatment Plant operations
 - Wastewater with a pH < 5.5 units or >11.5 units
 - Waste containing metals or toxic organics in excess of CCCSD Local Discharge Limits
 - Any waste defined as a hazardous waste
8. Vehicles which have been used for transport of hazardous wastes or materials are prohibited from discharging at CCCSD facilities unless they have been cleaned with appropriate chemical treatment and certified free from hazardous waste residue.
9. A \$1,000.00 cash bond must be deposited by the Waste Hauler at the CCCSD Accounting Office prior to the District's issuance of the Waste Hauler Permit. An additional cash bond may be required on a case-by-case basis.
10. A \$500,000.00 single-limit vehicle insurance policy must be obtained by the Waste Hauler and a current Certificate of Insurance enclosed with this application.
11. A copy of the Waste Hauler's current Contra Costa County Health Services Department Public Health license must be included with this application.
12. The CCCSD Waste Hauler Permit is not transferable to another owner or company.
