

Waste Hauler Application and Permit

This Waste Hauler Permit is issued by the Central Contra Costa Sanitary District (Central San) and gives approval to the waste hauling company named below to discharge residential septage, food service grease interceptor/grease trap waste, and/or portable toilet waste to Central San facilities. The discharge of any other waste constitutes a special discharge, requiring the generator of the waste to obtain a Special Discharge Permit prior to disposal at Central San facilities. Refer to next page and permit attachments for additional instructions and requirements.

Additional Instructions and Requirements

1. Hours for disposal of trucked-in waste at Central San facilities are as follows:

WASTE TYPE	WEEKDAY DISPOSAL HOURS	
	<2,000-gallon capacity	>2,000-gallon capacity
Residential Septage	7:30 a.m. - 4:30 p.m.	7:30 a.m. 3:00 p.m.
Portable Toilet		
Grease Interceptor / Grease Trap		
Non-Domestic (<i>Special Discharge Permit Required</i>)	7:30 a.m. - 3:00 p.m.	

For disposal of residential septage, portable toilet waste, or grease interceptor/grease trap waste on weekends, weekdays after hours, or Central San holidays, arrangements must be made with the Shift Supervisor in advance by calling (925) 229-7214. Central San reserves the right to refuse entry to the Treatment Plant outside the disposal hours listed above. Non-domestic waste loads will not be accepted on weekends, weekdays after hours, or Central San holidays.

District holidays are:

- | | | |
|-------------------------------------|--------------------------|------------------|
| • New Years Day | • Independence Day | • Christmas Eve |
| • Martin Luther King Jr.'s Birthday | • Labor Day | • Christmas Day |
| • Lincoln's Birthday | • Veteran's Day | • New Year's Eve |
| • Washington's Birthday | • Thanksgiving Day | |

2. The company name and address, public health license number, and full tank capacity must be clearly marked on each truck.
3. An ACCURATELY COMPLETED Trucked Waste Manifest/Receipt Form must be presented to the Gate Guard at the time of entry to Central San facilities.
4. No waste load from a source outside of Contra Costa County will be accepted at Central San facilities. Food service grease interceptor/grease trap waste will be accepted only from sources within the Central San's service area.
5. The Permittee shall provide a representative sample of each waste load to the Central San Primary Operator. Trucks with a capacity greater than or equal to 2,000 gallons or any truck, regardless of capacity, hauling non-domestic waste must wait for the waste sample to be analyzed by the Central San laboratory prior to being granted approval to discharge. Additional, random sampling of any trucked waste load may be performed by Central San staff for monitoring purposes.
6. If a waste load is rejected by Central San, The Permittee must provide documentation of that load's ultimate disposal location before Central San will give the Permittee approval to discharge any other waste load to Central San facilities.
8. The Permittee shall ensure discharges to the sanitary sewer are in compliance with Central San's Local Discharge Limits and General Discharge Prohibitions. (See attached). Vehicles which have been used for transport of hazardous wastes or materials are prohibited from discharging at Central San facilities unless they have been cleaned with appropriate chemical treatment and certified free from hazardous waste residue.
9. A \$1,000.00 cash deposit must be posted by the Permittee at the Central San Accounting Office prior to the Central San's issuance of the Waste Hauler Permit. Failure to deposit or maintain the required cash deposit can result in denial, revocation, or suspension of permit. An additional cash bond may be required on a case-by-case basis.
10. The Permittee shall provide auto liability coverage for owned, non-owned, and hired autos using ISO Business Auto Coverage form CA 00 01, or the exact equivalent, with a limit of no less than one million dollars (\$1,000,000) per accident.
11. The Permittee shall maintain commercial general liability insurance with coverage at least as broad as Insurance Services Office form CG 00 01, in an amount not less than one million dollars (\$1,000,000) per occurrence for bodily injury, personal injury, and property damage, including without limitation, blanket contractual liability. If a general aggregate limit applies, either the general aggregate limit shall apply separately to this project/location or the general aggregate limit shall be twice the required occurrence limit. Permittee's general liability policies shall be endorsed using Insurance Services Office form CG 20 10 (or equivalent) to provide that District and its officers, directors, officials, employees, attorneys, and agents shall be additional insureds under such policies
12. A copy of the Permittee's current Contra Costa County Health Services Department Public Health license must be included with this application.
13. If hauling grease verification of the Permittee's current California Department of Food and Agriculture IKG Registration must be included with this application.
14. The Central San Waste Hauler Permit is not transferable to another owner or company.
